Dear Parents,

Cheshire and Merseyside Schools Orienteering Event

The 4th league event in the Cheshire and Merseyside Schools Orienteering League is to be held in **Sefton Park, Liverpool on Saturday 16th January 2010**. (9.00am to approximately **1.00pm**). We will be travelling in the school mini-bus and places will be allocated on a first served basis. Please check the notice board / website regularly to see if you have a place. **This would be a good event to try a more difficult course as the park is relatively easy.**

What to bring with you Training shoes with good grip and suitable clothing should be worn. **Please remember that it may be raining or very cold at this time of year.** A towel, additional footwear/dry socks and some spare, warm clothes should be taken in a small bag together with a small packed lunch. This can be left in the minibus / car ready for the students return. You will be required to change your muddy footwear after the event.

Students are able to choose to run on Yellow, Orange, Light Green or Green courses. The entry fee, Electronic Dibber & Pre-printed map are all included in the **£3.50** event fee. Full league details are available at:
